Functions on indexed columns

S03-L06 Functions on indexed columns

An index cannot be used if you use some function on the indexed column.

```
SELECT *  
FROM `employee` /* USE INDEX (`ak_employee`) */  
WHERE 1=1  
      AND 'ff-975616' = lower(`employee`.`personal_code`)  
;  
  
EXPLAIN SELECT *  
FROM `employee`  
WHERE 1=1  
      AND 'ff-975616' = lower(`employee`.`personal_code`)  
;
```
